# MACHOL EUROPA 30 - APPLICATION FORM THE WORLD'S LEADING ISRAELI DANCE EXPERIENCE

5 nights & 6 days! August 5th to 10th 2007 Loughborough University, England, UK

#### LOUGHBOROUGH UNIVERSITY

Loughborough is the leading sports university in the UK and the centre for training UK athletes.

We will be using the Faraday & Royce Complex which contains the dance hall, dining room and downstairs meeting room and shop. While the space is a little bigger than last year, we are limiting the number of places available for your own comfort.

Most of the residences are situated within 300 metres of the dance and dining complex in compact blocks with single rooms (with washbasin) or en-suite rooms (with toilet and shower).

A dairy, fish & vegetarian menu will be provided. No animal product or fat is used. Special dietary needs are willingly met, but must be notified in advance. (Please note that no meat products are allowed in the kitchen or dining room).

There are shopping facilities at the Student Union on campus and the town centre is only a few minutes away by car. There is an Olympic size swimming pool at the entrance to the Campus, which is open during the day (subject to Olympic training requirements).

#### TRAVEL TO LOUGHBOROUGH

The University is less than 2 hours by car from London. It is easily accessible from the M1 motorway. We will be running a coach from London on Monday morning, and probably also a mini-bus on Sunday morning (this depending on demand). These will cost £16 each way.

#### PART-TIME ATTENDANCE

Part-time attendance is possible. You can come to sessions, meals, and even stay just for one night. However, discounted prices will not apply.

A part-time application form setting out the costs can be obtained by e-mailing <a href="mailto:info@idi.org.uk">info@idi.org.uk</a> or downloaded from our web-site or you will be able to complete one on-line at <a href="https://www.idi.org.uk">www.idi.org.uk</a>

#### **SCHOLARSHIPS**

The Institute is committed to encouraging young people to become involved with Israeli dance both from the UK and overseas, especially from communities where there is little opportunity to find sponsors locally. If you feel able to assist by making a financial contribution, we would be very grateful.
